

# Shane Minor, Slave To The Habit

(Kostas/Toby Keith/Chuck Cannon)

It ain't wrong to say  
I can't start the day  
Without a shot of  
What makes it right  
'Cause baby if I miss  
Just one little kiss  
I'll be jonesin' 'til tonight

I'm a slave to the habit  
Slave to the habit  
Chained to the way you do that thing you do  
Im a stone cold addict  
You know I gots to have it  
I'm a slave to the habit of loving you

There was a day I remember  
Last November  
I decided I could leave you alone  
But my heart started aching  
My hands started shaking  
My feet brought me straight back home

I'm a slave to the habit  
Slave to the habit  
Chained to the way you do that thing you do  
Im a stone cold addict  
You know I gots to have it  
I'm a slave to the habit of loving you

Oh no! Ain't no way to help it  
Girl you got me hooked on your love  
Oh no! How can I quit it?  
When I can't ever never get enough

I'm a slave to the habit  
Slave to the habit  
Chained to the way you do that thing you do  
Im a stone cold addict  
You know I gots to have it  
I'm a slave to the habit of loving you
