

Shania Twain, We Got Something They Don't

they may say: we're done
that we will never win this one
but we know differently
they don't know you
and they don't know me

We Got Something They Don't
A fire burning deep in our bones
smoking when we're away
on fire when we get home

here's to hanging tough
when no one else believed in us
cheers to staying strong
they gave up but we carried on

We Got Something They Don't
A fire burning deep in our bones
smoking when we're away
on fire when we get home

We Got Something They Don't
Flame so high
lets go out
we're on fire
we're home sweet home
don't it taste good to be together?

We Got Something They Don't
A fire burning deep in our bones
smoking when we're away
on fire when we get home
