

# Shanice, Saving Forever For You

I've never been so sure about anything before  
But this loving feeling  
Gonna be a feeling I feel forever more  
Looking in your eyes  
Tomorrow's all I see  
As long as there's forever baby  
I will always be...

Saving forever for you...ooh...baby  
You are the only one  
I'll ever give forever to  
Love for a lifetime  
Won't do...baby  
Wanna always stay together  
So I'm saving forever  
For you

You'll be my world as long as  
There's a world turning around  
And you'll be my heaven, baby  
Till the heavens all come falling down  
Look inside my heart  
Love is all you'll see  
I'll loving you forever baby  
Leave it just to me

Saving forever for you...ooh...baby  
You are the only one  
I'll ever give forever to  
Love for a lifetime  
Won't do...baby  
Wanna always stay together  
So I'm saving forever  
For you

Forever I'll be loving you  
Long as time passes by  
I'll there beside you  
All through it all  
I'll be standing by you

Looking in your eyes  
Tomorrow's all I see  
Long as there's forever, baby  
I will always be...  
Needing you here with me

Saving forever for you...ooh...baby  
You are the only one  
I'll ever give forever to  
Love for a lifetime  
Won't do...baby  
Wanna always stay together  
So I'm saving forever  
For you
