Shanice, Silent Prayer

I send to you, my silent prayer before I sleep at night I send to you, my silent prayer baby, so you'll be all right

Every moment I think of you I just can't shake up my dreams, oh no I read the paper and watch the news I don't know what it means

When you do what you got to do You must know that I'm there with you Every breath that I take I hope and I pray sweet baby Baby, we're okay silent prayer

* Chorus *

Silent prayer (silent prayer) Silent prayer (silent prayer) Silent prayer (I send to you my silent prayer)

I hold a picture of a golden sunset (yeah) and I'll take you're hand (take my hand) we're gonna walk down that promise road just like we planned (just like we planned)

Cause I know what I'm gonna do Just as soon as I'm back with you every breath that I take, I hope and I pray sweet baby Baby, we're okay silent prayer

* Chorus *

I send to you my silent prayer I send to you my silent prayer I send to you my silent (baby) prayer (every hour) my silent prayer

* Chorus *
