

Shanice, Tender Kisses

Aahhhh
ooohhhoohhh
Yeahhh

I'm so confused
And I think I'm gonna cry, Tonight
What must I do babe
You dont know what you mean (ohhhahhh)
Tell me something
Tell me tell me to leave baby

Your so unpredictable
Why must you treat me this way (yeah)
I want you to love me
For who I am

What ever happened to the dreams we used to share
Where did our love go (Boy dont you even care)

Tender Kisses
Blown away
Tender Kisses
Gone Tomorrow, gone today
Tender Kisses
Bye Baby Bye Baby

Dont leave, leave me here alone
I want someone I can call my own
I may be young but I'm ready
Ready to fall in love

I'm so confused
Your so unpredictable
Trust in me as i trust in you
Put our hearts together
There's nothing we can do

What ever happened to the dreams we used to share
Where did our love go (Boy don't you even care)

Tender Kisses
Blown Away
Tender Kisses
Gone tomorrow Gone today
Tender Kisses
Bye Baby Bye Baby
Blow away

I wondered if you ever loved me
Tell me was I so blind that I could not see
Holdin on to the memories
Of the way you used to kiss me (kiss me)
All I ever really wanted
Was someone to call my own
I'll never know
You'll never know
We'll never know
All those tender kisses
Blown Away
Bye Baby Bye

Tender Kisses

Blown Away
Tender Kisses
Gone Tomorrow Gone Today
Tender Kisses
Bye Baby Bye Baby
Bye Baby Bye
(repeat til fade)
