

# Shanice Wilson, No 1/2 Steppin'

All the boys want to know my name  
When I won't tell 'em they get upset  
Breakin' hearts ain't my claim to fame  
But if I had a dime for all they tried  
I'd be a millionaire yet

When I'm out hangin' with my friends  
People say that think we're cute  
When we're together, yeah, we play to win  
And if you're gonna stare, what do we care  
So what's it mean to you

(No half steppin') You got to do it right  
In the middle of the day or in the middle of the night  
(No half steppin') Show just what you got  
Don't give up for nothin' if you think you're hot

I'm not, I'm not, I'm not, I'm not, I'm not, I-I-I  
I'm not about playin' games  
I got too much that I wanna do  
I don't have the time to sit down and explain  
And if you're gonna try to figure out  
Here's what I say to you

(No half steppin') You got to do it right  
In the middle of the day or in the middle of the night  
(No half steppin') Show just what you got  
Don't give up for nothin' if you think you're hot

(No half steppin') You got to do it right  
In the middle of the day or in the middle of the night  
(No half steppin') Show just what you got  
Don't give up for nothin' if you think you're hot

No-no-no-no half steppin'  
No-no-no  
No-no-no half steppin'  
No-no-no

Ooh...ooh...ooh...  
Ooh...ooh...ooh...

Uh, alright  
Come on  
Babe  
Baby  
Uh, alright  
Ho...ho...  
Uh, babe  
Baby  
Oh  
That's alright  
Oh, no  
No  
Oh...oh...

When I sing, I do my best  
To let you know what I feel  
When on the stage I'm put to the test  
You better believe after you leave  
You're gonna know the deal

(No half steppin') You got to do it right  
In the middle of the day or in the middle of the night

(No half steppin') Show just what you got, uh  
Nothin' if you think you're hot

(No half steppin') Got to do it right  
In the middle of the day or in the middle of the, hee  
(No half steppin') Show just what you got  
Don't give up for nothin' if you think you're hot

(No)

(No half steppin') You got to do it right  
Oh, no, middle of the night  
(No half steppin') Show just what you got  
Don't give up for nothin' if you think you're hot

(No half steppin')
