

# Shanice Wilson, Silent Prayer

Featuring Johnny Gill  
(N.M. Walden, J. Cohen)

I send to you my silent prayer  
Before I sleep at night  
I send to you my silent prayer  
Baby so you'll be alright

Every morning I think of you  
I just can't shake off my dreams...no, no  
I read the paper and watch the news  
I don't know what it means

When you do what you've got to do  
You must know that I'm there with you  
Every breath that I take...I hope and I pray  
Sweet baby...baby be ok

Chorus  
Silent prayer  
Silent prayer  
Silent prayer  
I send to you my silent prayer

I hold a picture of a golden sunset  
And I'll take your hand  
We're gonna walk down that promised road  
Just like we planned

'Cause I know what I'm gonna do  
Just as soon as I'm back with you  
Every breath that I take...I hope and I pray  
Sweet baby...baby be ok
