

Shanice Wilson, When I Close My Eyes

(Warryn Campbell, Tamara Savage)

Darling here we are again
Right about now there is a need
To tell you what I'm feeling
I'm so grateful, to have a man like
Who knows what to do
Makes me feel like a woman should

Hook
When I close my eyes
I break down and cry
It's something about the way you love me
The thought of your kiss
My heart can't resist
It's all about the way you love me

Never thought that I would find
So much peace of mind
In every moment that I share with you
Sometimes I don't know why
We fell so deep in love
But then it all comes back to me because

Bridge
When I'm with you
I feel so good
No one loves me Like you do
