

# Shannon Noll, All I Want Is More

And it feels like rain,like yesterday  
And the clouds roll in,the sunlight fades away again  
And I'm so damn sure,I'm gonna close that door  
You'll be the first to know  
When I've found what I'm looking for

Chorus:  
I want to run with the sun on my face  
Ride a train to nowhere,any place  
Feel the thrill of the chase  
Stand where I've stood before  
All I want is more

So here I go,just me and the radio  
Down open roads,don't know where I'm going  
Anywhere,I don't care

[Chorus]

I owe it to myself,not to follow someone else  
Not to turn around  
And ever think of going back now

[Chorus]
