

Shannon Noll, Drive

I've got a car
I've got a big black shiny car
maybe tonight we can go for a ride
Hey

Out on the road. out on the wide wide open road
baby let's see what we can find
Alright!

chorus:
Lets Drive
Anywhere you wanna go i will take u there babe, take u there baby
Yeah Let's drive!
Anywhere your dreams go i will take you there babe,take you there baby
Oh Let's Drive!

I've got a ride
I've got a smooth slick shiny ride
Let's open her up and let's get away

Back out by the shore
Top down, seats back, lights shining low
Tonights the night we go all the way
All the way

Chorus

Everything that you wanted to find
Is waiting for you here inside

Let's drive

I've got a car
I've got a big black shiny car
Maybe tonight we can go for a ride

Chorus x3 till fade
