

Shannon Noll, Drive (Full And Correct)

I've got a car
I've got a big, black shiny car
Maybe tonight we can go for a ride
Out on the road
Out on the wide, wide open road
Baby let's see what we can find, alright

CHORUS**

Let's drive
Anywhere you wanna go i will take you there babe
take you there baby
let's drive
anywhere your dreams go
i will take you there babe
take you there baby
let's drive

i've got a ride
i've got a smooth slick shiny ride
let's open her up and lets get away
back out by the shore
top down seats back lights shining low
tonights the night we go all the way
all the way

CHORUS**

Everything that you wanted to find
is waiting for you here inside
let's drive

i've got a car
i've got a big black shiny car
maybe tonight we can go for a ride

CHORUS**
