

# Shannon Noll, Drive (Full And Correct)

I've got a car  
I've got a big, black shiny car  
Maybe tonight we can go for a ride  
Out on the road  
Out on the wide, wide open road  
Baby let's see what we can find, alright

CHORUS\*\*

Let's drive  
Anywhere you wanna go i will take you there babe  
take you there baby  
let's drive  
anywhere your dreams go  
i will take you there babe  
take you there baby  
let's drive

i've got a ride  
i've got a smooth slick shiny ride  
let's open her up and lets get away  
back out by the shore  
top down seats back lights shining low  
tonights the night we go all the way  
all the way

CHORUS\*\*

Everything that you wanted to find  
is waiting for you here inside  
let's drive

i've got a car  
i've got a big black shiny car  
maybe tonight we can go for a ride

CHORUS\*\*
