

# Shannon Noll, Drive (Shannon Noll)

I've got a car  
I've got a big, black, shiny car  
Maybe tonight we can go for a ride

Out on the road  
Out on the wide, wide open road  
Baby let's see what we can find  
Alright!

Let's drive!  
Anywhere you wanna go I will take you there babe,  
Take you there baby  
Let's drive!  
Anywhere your dreams go I will take you there babe,  
Take you there baby  
Let's drive!

I've got a ride  
I've got a smooth, slick, shiny ride  
Let's open her up and let's get away

Back out by the shore  
Top down, seats back, lights shining low  
tonights the night we go all the way, all right!

lets drive  
anywhere youn want to go i wil take you there babe  
take you there baby!  
yeh! lets drive  
anywhere your dreams go i will take you there baby

yeah! everything that you wanted to find,  
is waiting for you here inside  
yeah, lets drive!

ive got a car  
ive got a big black shiny car  
maybe tonight we can for a ride

lets drive!  
anywhere you want to go i will take you there babe,
