

# Shaola Ama, Someday I'll Find You

Someday I'll find you  
When one is lonely the days are long  
You seem so near  
But never appear  
Each night I sing you a lover's song  
Please try, try to hear me, my dear  
My dear  
Someday I'll find you  
Moonlight behind you  
True to the dreams I'm dreaming  
As I draw near to you  
You'll smile a little smile  
For a little while  
We should stand  
Hand in hand

I'll leave you never (I'll leave you never)  
Love you for ever  
Please tell me I'm not dreaming  
Try to make it true  
Say you love me too  
Someday I'll find you again, ooh yeah  
Someday I'll find you, someday, someday  
Someday I'll find you  
(someday I'll find you)  
Moonlight behind you  
(moonlight behind you)  
Someday I'll find you, someday  
Oh, yeah (someday I'll find you)  
(repeat til fade)
