

# Shapes And Sizes, The Taste In My Mouth

I cut my finger on a knife  
It hurt me bad  
It hurt me bad  
I sucked my finger turned it white  
and now I know what pain's inside  
The taste in my mouth

(Ooooooh)(Ooooooh)

What is that mark under your eye?  
I'll leave him soon  
I'll leave him soon  
Suck my fingers till you turn them white  
I know what pain's inside  
The taste in my mouth

(Ooooooh)(Ooooooh)

Let the girl come down  
Aaaaaaaaah!  
She needs a day for space  
Aaaaaaaaah!  
Don't tell her what to do  
Aaaaaaaaah!  
Just try to understand  
Aaaaaaaaah!
