

Shapes And Sizes, The Taste In My Mouth

I cut my finger on a knife
It hurt me bad
It hurt me bad
I sucked my finger turned it white
and now I know what pain's inside
The taste in my mouth

(Ooooooh)(Ooooooh)

What is that mark under your eye?
I'll leave him soon
I'll leave him soon
Suck my fingers till you turn them white
I know what pain's inside
The taste in my mouth

(Ooooooh)(Ooooooh)

Let the girl come down
Aaaaaaaaaah!
She needs a day for space
Aaaaaaaaaah!
Don't tell her what to do
Aaaaaaaaaah!
Just try to understand
Aaaaaaaaaah!
