

Shapeshifters, Incredible

You think I'm up when I'm breaking down
I need to hide away and catch my breath
I pick my keys up and I'm headin' out
Leave my phone and drive inside my van
Have enough of the same old time
My senses they need reviving
Giving up of just standing by
It's time for a brand new feeling
Let's all do something incredible
Make it happen when we come together
Just stay and hear - it's so wonderful
Incredible!
Ohhhhh!
I'm gonna be there to the highest high
There's such a place that holds me up and over my life
It's so amazing what I'm feeling now
Thank you for it, bless this house
We all need comfort when times are hard
Come on and hide away
There's no pretense here
Don't need a thing, leave you credit-card
Put it all behind
Had enough of the same old vibe
All our senses they need revivin'
Giving up we're on borrowed time
Make way for a brand new feelin'
Let's all do something incredible
Make it happen when we come together
Just stay and hear - it's so wonderful
Incredible!
Ohhhhh!
I'm gonna be there to the highest high
There's such a place that holds me up and over my life
It's so amazing what I'm feeling now
Thank you for it, bless this house
