

Sharko, Ripoff (A Phone Call)

Hello... Are you there? Are you home?
Well... Let me introduce myself, my name is David and...
You don't know me but ...
I've been watching you some time now and I really want to tell you something
I wanna tell you that I love you
I wanted to put the Stevie Wonder song but, I... I... I... you know
I'm gonna say it myself, I said to myself...
Well I'd really want to tell you
That I love you and I want to BEEP you

I love your bite
I'm on the run I feel fine
So get your claws in my mind
Of course it is, I don't mind
I love that
I love your bite
I love the swing, hooks and knives
So get your claws in my mind
Of course it is, I don't mind
I love that hard

I'm so sorry, woaw, I'm getting used to it...
I know you'll never call me back
'Cos I don't know how to talk to girls
I know you'll never call me back
And I'll be forever a lonely boy...

I love your bite
I'm on the run I feel fine
So get your claws in my mind
Of course it is, I don't mind
I love that
I love your bite
I'm on the swing, hooks and knives
So get your claws in my mind
Of course it is, I don't mind
I love that hard
