

# Sharko, Sugarboy

You will get 25 (I know I will)  
You will pick your side of it (You think I will)  
You get stormy and fussy about (I know I will)  
You get fully clothed again

It's human at all  
Sugarboy  
Sugarboy

Fix you anyhow from it (I know I will)  
You think you know what's happening (You know I will)  
You bought some bad sharp tickets (You know I will)  
You get no chance for it

It's human at all  
Sugarboy

Nobody here wants me  
Except good-looking girls

Tell me what's inside of it (I know I will)  
You will act uptight you think (You think I will)  
Help you with your dreadlock a lot ( I know I will)  
You get pretty transparent

Nobody here wants me  
Except good-looking girls
