

# Sharon Jones And The Dap-Kings, Nobody's Baby

I done left you here  
All you by yourself.  
But it ain't my fault, baby  
You treated me like a fool.  
It ain't my fault, baby  
That you treated me so cruel.  
But you know what?

I ain't nobody's baby.  
I ain't nobody's fool.  
I ain't nobody's baby.  
Get yourself a new one. (x2)

It's a matter of fact.  
I expect I can't tell you that.  
I said, if what you need is a good little soldier  
Well, I guess you better look again.  
Well you know, I ain't nobody's soldier, oh lord no  
I'm a bona fide cap-i-tan!  
Cause I...

I ain't nobody's baby  
I ain't nobody's fool  
I ain't nobody's baby  
Get yourself a new one  
You better get yourself a new one

Get it, get it, get it, get it....
