

Sharon Van Etten, Nothing Will Change

Maybe something will change
Maybe something will change

Remember when you saw me on the street
And then you looked in my eyes?
You helped me with the tire change
It had been a while and I thought that you'd forgot about me
I never could have forgotten you

I will reach you
I will reach you
I will meet you, on your street
I won't let you down

Maybe something will change
Maybe something will change

A couple years later when I say you making western moves
And pal-in' 'round while I still saw in you
You always believed in me and I always believed in you
Let's not turn the page

I will reach you
I will reach you
I will meet you, on your street
I won't let you down

I will meet you
I will meet you
I will meet you, on your street
I don't wanna let you down

Nothing will change
Nothing will change
Nothing will change
Nothing will change
