

# Shawn Colvin, Tumbling Down The Avalanche

I'm riding shotgun down the avalanche  
Tumbling and falling down the avalanche  
So be quiet tonight the stars  
shine bright  
On this mountain of new fallen snow  
But I will raise up my voice into  
the void  
You have left me nowhere to go  
I love you so much and it's so bizarre  
A mystery that goes on and on and on  
This is the best thing and the very  
most hard  
And we don't get along  
After countless appeals we keep  
spinning our wheels  
On this mountain of new fallen snow  
So I let go the catch and we are  
over the edge  
You have left me nowhere to go  
I'm riding shotgun down the avalanche  
Sometimes you make me lose my will  
to live  
And just become a beacon for your soul  
But the past is stronger than my will  
to forgive  
Forgive you or myself, I don't know  
I'm riding shotgun down the avalanche  
Tumbling and falling down the avalanche  
So be quiet tonight be sure to  
step lightly  
On this mountain of new fallen snow  
But I will raise up my voice into  
the void  
You have left me nowhere to go  
I'm riding shotgun down the avalanche
