

Shawn Desman, Butterflies

[Verse 1]

Everybody's got their problems, yes they do (they do).
And I'm not tryna say that I'm perfect, I know I'm not (I know I'm not).
So tell me why, your giving me a hard time (oh why?)
When all I do, is everything to try and please you.
Oh to please you baby.

[Chorus]

I wanna get those butterflies when I look into your eyes again.
All over again oh babe.
And I wanna talk all night, without a single fight, again.
All over again oh no.

I don't understand won't you tell me just went wrong (what wrong).
Cause I remember when I would come over, now there's no one at the door.
Baby tell me where'd you go.
No matter what I say,
You always gotta take it the wrong way (oh why why why?).
Just want it to be the way it was when you fell in love with me
Fell in love with me yeah yeah yeah.

[Chorus]

I wanna get those butterflies when I look into your eyes again.
All over again.
And I wanna talk all night, without a single fight, again.
All over again, oh no.

All over again,
Maybe we can use some time away (some time away).
Or maybe we just need a little space (a little space).
I know we gotta make it better girl, somehow, some way.

I wanna get em baby.
Butterflies again.

[Chorus + Ad libs]

I wanna get those butterflies when I look into your eyes again.
All over again.
And I wanna talk all night, without a single fight, again.
All over again, oh yeah, all over again.
