

# Shawn Desman, Never Change Me

## CHORUS

You could never change me  
Never tame me  
I'll keep on doing what i do  
What I thought you knew  
So why you wanna change me  
Quit bugging me  
I'll keep on doing what i do  
So it's up to you

We started out fine, I thought you were right  
But girl I was mistaken  
You criticise me, and all that I do  
And the friends I have too  
You loved what I did, And all that I said  
So why you wanna change me  
I see it all now, It's all so clear  
What you try to do to me

You aren't the same (same)  
You want me in chains (chains)  
Baby no way  
No no

## CHORUS (2x)

You can never change me  
Never tame me  
I'll keep on doing what I do  
What I thought you knew  
So why you wanna change me  
Quit bugging me  
I'll keep on doing what I do  
So it's up to you

No, No, No more  
Ain't taking no more, And that's for sure  
In case you didn't know that  
I'll do what a do, I'll be who I be  
Do you even know me  
What happen to you, You used to be cool  
But now you acting crazy  
Quit nagging on me, I got to feel free  
So you just have to trust me

You aren't the same (same)  
You want me in chains (chains)  
But baby no way (way)
