

Shawn Desman, Spread My Wings

why are you taking so long
you know the weather's already changed and
no need in talking too much,
about the situation that happened
and I know it's implicitly said when I say
I don't want to argue no , not today
and I tell you there is nothing left to say
let me be free and fly away

Chorus

sometimes I wish I could fly,
spread my wings and soar away
and I'd never return back to this
crazy love life,
that always push me away

you know I loved you so much
but there's no need for me to keep waiting,
no longer can you be trusted
I finally gave up on this love matter,
and I really hate to leave but in this case
you broke my heart and now I feel disgrace
and I know somebody else is taking my place
unfortunately I know that I can't stay
Stayyyy..

Chorus (2x)

I'm telling you this time I don't need you no more tell me baby
what makes you do the things you do that
makes me wanna be free, and all those times you lied to me
about the simple things baby,
I need my space to fly away, away

Chorus
