

Shawn Hlookoff, Soldier

Some people say, I'm a fighter
Some people hate what I do
I stand for my country
I stand for you
I got a family that loves me
They respect what I do
Try telling your child you're leaving
Believe me it's a hard thing to do
So, If I die don't judge me
Cause, I will not judge you
And If I die, please accept it
Cause, I will die for you
We have our reasons
Rules, morals and beliefs
I won't slander your opinion
I'm just searching for peace
So, If I die don't judge me
Cause, I will not judge you
And If I die, please accept it
Cause, I will die for you
