

Shawn McDonald, Captivated

when I look into the mountains, I see Your fame,
when I look into the night sky, it sparkles Your name

the wind in the clouds and the blue in the sky,
the sun and the moon and the stars so high
that's what draws me to You

(chorus)

I am, I'm captivated by You
(You know that You do)
I am, I'm captivated

when I wake unto the morning, it gives me Your sights,
when I look across the ocean, it echoes Your might

the sand on the shore and the waves in the sea,

the air in my lungs and the way You made me
that's what draws me to You

(chorus x2)

the wind in the clouds and the blue in the sky,
the sun and the moon and the stars so high,
the sand on the shore and the waves in the sea,
the air in my lungs and the way You made me,

the blood in my veins and my heart You invade,
the plants how they grow and the trees in the shade,
the way that I feel and the love in my soul,
I thank You my God for letting me know

(chorus x2)
