

# Shawn Mendes, Dream

Dream /4x  
Hello /3x  
Can i hear an echo?

Purple red and yellow  
I cna't wait to get home  
Head down on the pillow  
Holding you is all i think about

You're asleep in London  
I wish you were coming  
Back home to me darling  
You're too far away  
Cunt back from one hundred  
Holding you is all i think about

Ah baby  
When i am apart from you  
I just shut my eyes  
All i have to do is

Dream /4x  
About you  
/2x

(zwr. 2)

Ah baby  
When i am apart from you  
I just shut my eyes  
All i have to do is

Dream /4x  
About you
