Shawn Mendes, Song For No One

I wake up a little drunk Check my phone I am all alone! 10 missed calls A couple texts None of tehm are Who i am looking foe Who i am looking foe

This is a song for no one This is a song for no one

Get on a plane
Fly to the most beautiful places you've ever been
Close my eyes
Things are better in my dreams
Cause i am with someone
Someone i adore

This is a song for no one I wrote This song for no one*
