

# Shawn Mullins, Hold On

we are the children of god wherever he may be whoever she may be  
we go through life feelin odd like a bird inside a cage nowhere to pour the rage  
its a mystery i know  
to try and figure out what lifes gonna throw  
we've been around for a while  
i know i'll never go as long as i can see you  
hold on to what we got  
cause what we got is all we got  
we are the future they say  
whatever comes your way you gotta make it yours today  
and when you got nothin at all dont be sorry  
if you fall you keep on standin tall  
you've got to pave your own road  
and i will carry you if you got a heavy load  
we've been around for a while  
theres nothin you can do to make me want to lose you child  
what we got is all we got  
hold on to what we got  
cause what we got is all we got  
we got to hold on to what we got  
cause its all we got  
hold on to what we got  
cause what we got is all we got  
hold on to what we got  
cause what we got is all we got
