

# Shawn Mullins, Sante Fe

she was sittin in the corner of a cafe  
in the burnin heart of downtown sante fe  
pickin on a gibson and singin baby cant you see  
she was buzzin like a battlefield tracer  
she was grindin like the gears on a pacer  
i said sister bloody mary wont you do a little number for me  
she said i'll sing you any song that you wanna hear  
just pull up a barstool and buy me another beer  
take me away take me away from here  
take me far away sante fe  
he was livin with some hippies in a school bus  
they had puddered here from boulder covered in dust  
he said i know a little lady livin 30 miles up the road  
i got a feelin that my ride aint gonna take me  
if i dont see my little lady it'll break me  
another 24 hours here i think i just might explode  
i been doin everything i know to try to stay free  
workin for the man jut aint no kind of plan for me  
so take me away take me where i wanna be  
take me far away sante fe  
santa fe  
i'll sing you any song that you wanna hear  
it'll sound alot better if you have yourself another beer
