

Shaznay Lewis, Butterflies

Oooh, crazy, oooh
Strange feelings comin' over me, over me
Can't take my mind off of you (can't take my mind off of you)
Everything I do's got you going crazy
Tell me boy what you're gonna do
I know you want me to
Give it up to you
Would that be cool?
I know what you wanna do
Boy let me know
I been on the freak show (yeah yeah yeah)
So would you wanna know?
Then we'll go, oh oh, oh oh
Boy I got you hot
In the bed when you're sleeping
Lazy dreaming got you lots
Like a thing that I can't lie
That boy you got me hot
I can't escape this feeling, baby baby
I get a shiver when I look into your eyes
I get butterflies
Do do do, do do do, do do do
Now I know that you wanna rock me boy
So maybe we could try this in so many ways
Don't try to deny to yourself that you love me boy
'Cos I can see it's written all over your face
I know you want me to
Give it up to you
Would that be cool?
I know what you wanna do
Boy let me know
I been on the freak show (yeah yeah yeah)
So would you wanna know?
Then we'll go, oh oh, oh oh
Boy I got you hot
In the bed when you're sleeping
Lazy dreaming got you lots
Like a thing that I can't lie
That boy you got me hot
I can't escape this feeling, baby baby
I get a shiver when I look into your eyes
I get butterflies
Do do do, do do do, do do do
Baby baby baby (baby baby baby)
Baby baby baby (baby baby baby)
Boy I got you hot
In the bed when you're sleeping
Lazy dreaming got you lots
Like a thing that I can't lie
That boy you got me hot
I can't escape this feeling, baby baby
I get a shiver when I look into your eyes
I get butterflies
Boy I got you hot
In the bed when you're sleeping
Lazy dreaming got you lots
Like a thing that I can't lie
That boy you got me hot
I can't escape this feeling, baby baby
I get a shiver when I look into your eyes
I get butterflies
