

Shaznay Lewis, Daddy O (feat. Wideboys)

Chorus

In the night when no bodies around me I call on you, Daddy O,
No one else will do it on you, Daddy O, Daddy O,
I need affection only your protection is good enough for me, Daddy O,
I can do ill never be without you, Oh, Daddy O.
Come into my life, come into my life right now,
Gonna make my love, gonna make my love come down,
Can't get enough, can't get enough of you,
Ain't no other man will ever treat me like you do.

Chorus

In the night when no bodies around me I call on you, Daddy O,
No one else will do it on you, Daddy O, Daddy O,
I need affection only your protection is good enough for me, Daddy O,
I can do ill never be without you, Oh, Daddy O.
I want you in my life, I want you in my life,
Gonna feel my love, gonna feel my love come down,
I'm so caught up, I'm so caught up in you,
Ain't no other man will ever treat me like you do.

Chorus

In the night when no bodies around me I call on you, Daddy O,
No one else will do it on you, Daddy O, Daddy O,
I need affection only your protection is good enough for me, Daddy O,
I can do ill never be without you, Oh, Daddy O.
Hold tight giving up my body and my soul,
Hold tight I think I might be losing my control
(repeat)

In the night when no bodies around me,
I need affection only your protection.

Chorus

In the night when no bodies around me I call on you, Daddy O,
No one else will do it on you, Daddy O, Daddy O,
I need affection only your protection is good enough for me, Daddy O,
I can do ill never be without you, Oh, Daddy O.
Come on, come on, come a little closer,
Put one on me, Daddy O,
I won't tell if you keep it on the low, Daddy O, Daddy O,
The situation ain't no complication, put one on me, Daddy O,
I can do ill never be without you, Oh, Daddy O
