

# Shaznay Lewis, Don't know what to say

Don't know what to say  
Don't know what to say  
Don't know what to say  
Don't know what to say  
Don't know what to say  
I'm in the mood to work today  
My back's against the wall  
My engineer has left the room  
He's no help at all  
Can't express what's in my head  
Cannot put paper to pen  
Words escape my mind again  
I can't find my flow  
Wishing, hoping praying words will come easy  
Boy, not today  
Wishing, hoping praying words will come easy  
Well not today not today  
All this pressure on me cos I (don't know what to say)  
Why you still looking to me when (I don't know what to say)  
What you gon' do to me if I (don't know what to say)  
I'm sorry that's just me and I (don't know what to say)  
Don't know what to say  
Don't know what to say  
I can't seem to concentrate  
My mind is all a blur  
Sitting waiting patiently  
The lyrics to occur  
Got no inspiration so  
Abuse the situation and  
Deliver all the same and now  
I just found my flow  
Wishing hoping praying words will come easy  
Boy, not today (ohhh)  
Wishing hoping praying words will come easy  
Well not today not today  
All this pressure on me cos I (don't know what to say)  
Why you still looking to me when (I don't know what to say)  
What you gon' do to me if I (don't know what to say)  
I'm sorry that's just me and I (don't know what to say)  
All this pressure on me cos I (don't know what to say)  
Why you still looking to me when (I don't know what to say)  
What you gon' do to me if I (don't know what to say)  
I'm sorry that's just me and I (don't know what to say)  
I don't know what to say  
All this pressure on me cos I (don't know what to say)  
Why you still looking to me when (I don't know what to say)  
What you gon' do to me if I (don't know what to say)  
I'm sorry that's just me and I (don't know what to say)  
All this pressure on me cos I (don't know what to say)  
Why you still looking to me when (I don't know what to say)  
What you gon' do to me if I (don't know what to say)  
I'm sorry that's just me and I (don't know what to say)
