

# Shaznay Lewis, Heart made me a fool

You think that you love me  
But I know it's not working  
I heard that you won't love  
These tears rolled, are needing to dry  
Asking if you can stay baby, no no no (no, no, no)  
Done with the heartache, that's why I let ya go (let ya go, let ya go)  
Tell me baby why you can't see that I'm so over you  
Telling me that you're not for me, so I have to say, we're through'  
As suppose we weren't to be, but I hope that you be cool  
Time to listen to my head speak, cause my heart made me a fool (oh oh oh)  
All your bridges are burnt babe  
And all those kisses mean nothing  
I can't fake, and I can't hide (oh no, no, no, no, no)  
Cause with you, I'm done on the inside  
Asking if you can stay baby, no no no (no, no, no)  
Done with the heartache, that's why I let ya go (let ya go, let ya go)  
Tell me baby why you can't see that I'm so over you  
Telling me that you're not for me, so I have to say, we're through'  
As suppose we weren't to be, but I hope that you be cool  
Time to listen to my head speak, cause my heart made me a fool (oh oh oh)
