

Shaznay Lewis, Now you're gone

I cried for a while when you said you were leaving
Couldn't handle the pain
The tears on my pillow won't dry don't know why
And the stains just won't go away
You left a mark on my heart
Now I'm all torn apart
I just don't know what to do
Can't stop crying over you (ooh-ooh-ooh-ooh)
Can't stop crying over you (ooh-ooh-ooh-ooh)
Can't stop crying over you (ooh-ooh-ooh-ooh)
Now you're gone (now you're gone)
I couldn't sleep last night 'cos the tears stung my eyes
Oh I, couldn't stand the pain
All my friends tried to help me survive which was nice
But I wish they'd all go away
You left a mark on my heart
Now I'm all torn apart
I just don't know what to do
Can't stop crying over you (ooh-ooh-ooh-ooh)
Can't stop crying over you (ooh-ooh-ooh-ooh)
Can't stop crying over you (ooh-ooh-ooh-ooh)
Now you're gone (now you're gone)
Now you're gone (now you're gone)
Tears on my pillow
'Cos I can't stop missing you
And the pain only gets bigger
I don't know (know) why (why) I'm supposed to do
You left a mark on my heart
Now I'm all torn apart
I just don't know what to do
Can't stop crying over you (ooh-ooh-ooh-ooh)
Can't stop crying over you (ooh-ooh-ooh-ooh)
Can't stop crying over you (ooh-ooh-ooh-ooh)
Now you're gone (now you're gone)
Now you're gone (now you're gone)
