

Shaznay Lewis, You

All alone,
Without you here,
How long have I gone,
Feels like time stands still,
I keep counting the days just to try 'n find a way,
To come back home,
How long must I stay 'cause I'm missing you babe,
It feels so long,

(Chorus)
Every love song
Every bright smile
Reminds me of you
Everywhere I go,
Every blue sky
Reminds me of you

I'll call,
Tell you how I feel,
You tell me 'be strong'
That you love me still
I keep counting the days just to try 'n find a way,
To come back home,
How long must I stay 'cause I'm missing you babe,
It feels so long,

(Repeat Chorus)

(Oohhhhhh)
(Reminds me of you)
(Oohhhhhh)
(Reminds me of you)

Without you, when I'm without you

(Repeat Chorus X 2 - Until Fade)
