

# Shaznay Lewis, You

All alone,  
Without you here,  
How long have I gone,  
Feels like time stands still,  
I keep counting the days just to try 'n find a way,  
To come back home,  
How long must I stay 'cause I'm missing you babe,  
It feels so long,

(Chorus)  
Every love song  
Every bright smile  
Reminds me of you  
Everywhere I go,  
Every blue sky  
Reminds me of you

I'll call,  
Tell you how I feel,  
You tell me 'be strong'  
That you love me still  
I keep counting the days just to try 'n find a way,  
To come back home,  
How long must I stay 'cause I'm missing you babe,  
It feels so long,

(Repeat Chorus)

(Oohhhhhh)  
(Reminds me of you)  
(Oohhhhhh)  
(Reminds me of you)

Without you, when I'm without you

(Repeat Chorus X 2 - Until Fade)
