

She & Him, Sweet Ballad

(Von Iva) Zooney descanel

Got nothing to prove
I'm not your whore
You're gonna lose
'cause i got more
I'm not sure
You can endure
I'm not your little, i'm not your little
I'm not your little whore

(whore, whore, whore)
I'm not your late night booty call
(whore no more)
Don't call me past 11 p.m. it won't happen again
(whore, whore, whore)
I'm not your late night booty call
(whore no more)
Don't call me past 11:00 p.m. it won't happen again

Like a scab tha won't heal
Just another soul
Lost face in the crowd
Such a lonely boy

Don't call me past 11:00 p.m. it won't happen again
It happened once, it happened twice, it happened three times
Maybe four times, maybe five times, maybe, maybe it happened six times
But it won't happen a seventh time no, no, no, no, no

(whore, whore, whore)
I'm not your late night booty call
(whore no more)
Don't call me past 11:00 p.m. it won't happen again
(whore, whore, whore)
I'm not your late night booty call
(whore no more)
Don't call me past 11:00 p.m. it won't happen again

You can call me at 10:59 but don't call me at 11 'cause that's my rule now
