## She Sells, Deciet

Verse1:

I don't appreciate your lies, The ones you hide behind despise you, Did you ever realize the ones you hurt will always find you?

Chorus: Your deceit is why I'm screaming, My life's abandoned meaning, You're hungry but I'm starving, You're dirty but I'm filthy, I'm awake now I was dreaming

Verse2: Words you speak have lost their meaning, I wonder what else you're concealing, Piece of mind I just cant reach, along with everything I seek

(Chorus)

Verse3: You're blinded by your ignorance, to everything you've hurt, I'm running out of tolerance, when you make me feel like dirt.

(Chorus)
