## She Wants Revenge, Red Flags And Long Nights

Sick of trying to find a way inside Sick and tired of all the after Sick of trying ot find a way to slide Even though it always ends in laughter Its never hard to tell when things are done She looked into my eyes and a voice said RUN She says that im a mess but its alright Whether its 2 weeks, 2 years or just tonight

You can occupy my every sigh, You can rent a space inside my mind At least untill the price becomes too? HIGH

I can find a reason that we should quit I can find a reason to do it I can find excuses for all my shit She tells me just to work right through it

Shes pretty and I like her but shes too well Cuz I need red flags and long nights and she can tell Its not that its my fault its just my style Beginning with a look and then a smile

You can occupy my every sigh, You can rent a space inside my mind At least untill the price becomes too? HIGH

She don't need a thing, she don't need saving or a lay Shes got all the friends around and you can hear them say: Hes not into you hes into the idea of? But little do they know that shes not through

You can occupy my every sigh, You can rent a space inside my mind At least untill the price becomes too? HIGH
