

Shea Seger, Walk On Rainbows

At night I only walk on rainbows
Wishin' they never had an end
But I have thrown away my raincoat
I wanna feel the rain again

Tonight I fell off of my rainbow
And it all turned black and white
I said "Shea you better wake yourself out of this place,
Let you fall down for once this time"

Cause you're not gonna break me
Even when you shake me
Cavin' in I run I run so fast

Wakin' up I saw this blue sky
I had slept the night outside
But then the sun came up to greet me
'Twas then I realised I cried

Cause you're not gonna break me
Even when you shake me
Cavin' in I run I run so fast
