

Shebang, Survive

Now I can feel that I am strong
I can feel I can't take wrong
Now I have found a way
To survive this pain some day

I wanna do this 'cause I can
Don't wanna fall this fall again
I know I can win this game
'cause I am not the same

I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Wanna stand up and say
I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Until the end

I don't wanna just lying here
I want something care
I know that I can do this anyway
Just survive some way

I wanna do this 'cause I can
Don't wanna fall this fall again
I know I can win this game
'cause I am not the same

I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Gonna find out someday
I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Until the end

I can't feel the pain anymore
I think this time I score
'cause I will win this game
this time it's not the same
I wanna do this 'cause I can
Don't wanna fall this fall again
I know I can win this game
'cause I am not the same

I will win!

I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Gonna win someday
I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Until the end

Some how
Some where
I can do this
Right here
Don't wanna cry every night
I just wanna do this right

And I'm gonna do this,
Yes I'm shore!
I'm gonna win, I'm gonna score!

I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Gonna win some day
Gonna win some day
Gonna win some day

I will win!

I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Gonna win this way
I'm gonna survive the pain
I'm gonna survive the tears
I'm gonna live out this life
Until the end
