

Sheena Easton, I Will Always Be With You

I will always be with you.
Makes no difference where
your road takes you to.
Even if were apart,
now were joined at the path.
Though our moment may be gone
you and i will still live on.

I will always be with you.
Ill be by your side whatever you do.
Other memries may fade,
but the ones that we made
are eternal as a star.
Now Im part of who you are.

And Ill be there with you in the sound of your laughter.
Ill be in the tears you cry,
cause the way you and I
have touched one and other
doesnt end with goodbye.

I will always be with you,
like a guardian angel, constant and true.
When youre lost in the night
and you cant see the light
my love will see you through.

I will always be there.
You have me there.
I will always be with you
