

# Shel Silverstein, I Got Stoned And I Missed It

Oh yes boys play it sweet for me  
I was sittin' in my basement I'd just rolled myself a taste of  
Somethin' green and gold and glorious to get me through the day  
When my friend yells through my transom grab your coat an' get your hat son  
There's a nut down on the corner a givin' dollar bills away  
But I sat around a bit and then I had another hit  
And then I rolled myself a bomber thought about my momma  
Looked around fooled around played around while and then  
I got stoned and I missed it I got stoned and I missed it  
I got stoned and it rolled right by  
I got stoned and I missed it I got stoned and I missed it I got stoned oh me oh my  
It took seven months of urgin' just to get that local virgin  
With the sweet face up to my place to fool around a bit  
And next day she woke up rosy and she snuggled up so cosy  
But when she asked me how I liked it Lord it hurt me to admit  
I got stoned and I missed it...  
[ fiddle ]  
I ain't makin' no excuses for so many things I uses  
Just to brighten my relationships and sweeten up my day  
But when my earthly race is over and I'm ready for the clover  
And they ask me how my life has been I guess I have to say  
I was stoned and I missed it...
