

# Shelby Lynne, Go With It

(S. Lynne)

Don't know where the time has gone  
Must have lost it in the night.  
Maybe when it was when I was holding on  
Couldn't get you out of my sight.  
Maybe this is trying to tell us something  
Maybe we're doing something right.

Chorus:

You just Go With It  
You know it feels good  
Go With It  
You know it feels good  
You Do it, do it , do it, do it, do it, do it,  
Just let go.

You never looked so beautiful to me  
Maybe it's the love in your eyes  
Together we fit perfect darling  
Don't let another moment go by

Maybe this is the real thing baby  
Maybe this is what it is.

Repeat Chorus

Bridge:

Kiss me darling  
So we can start all over again  
So we can be sure it's just not in our heads.  
Hold me real close so we don't ever worry  
I won't be without you again.

Repeat Chorus---Out
