

# Shelby Lynne, Swingtown

When it's my time to go  
I'll be singin' hi-de-ho  
And if i'm truely glory bound  
I'll be found in swingtown

If i saw Count and Cab  
And met the Duke Man that'd be fab  
And when my time rolls around  
Just lay me down in swingtown

## CHORUS

And let the heavens swing with all their melodies  
Put their names upon a big marquis  
And when they need someone to sing a harmony  
If i'm there please let 'em call on me

## INSTRUMENTAL

If i walked up to those pearly gates  
And met Bob Wills that'd be great  
Tell Ole Satchmo to come around  
We'll all get down in swingtown

## REPEAT CHORUS

## REPEAT FIRST VERSE
