

Shelby Lynne, Swingtown

When it's my time to go
I'll be singin' hi-de-ho
And if i'm truly glory bound
I'll be found in swingtown

If i saw Count and Cab
And met the Duke Man that'd be fab
And when my time rolls around
Just lay me down in swingtown

CHORUS

And let the heavens swing with all their melodies
Put their names upon a big marquis
And when they need someone to sing a harmony
If i'm there please let 'em call on me

INSTRUMENTAL

If i walked up to those pearly gates
And met Bob Wills that'd be great
Tell Ole Satchmo to come around
We'll all get down in swingtown

REPEAT CHORUS

REPEAT FIRST VERSE
