## Shelby Lynne, Wall In Your Heart

I feel your pain I feel the rain What happened to you I can't get to you Cause there's a wall In your heart That no one can get through And it's cold and it's dark And you don't have a clue But this wall it will fall If it's the last thing I do I'll get through this wall in your heart I know your soul I know I'm home Just come here to me I'll let you run through me Cause there's a wall In your heart That no one can get through And it's cold and it's dark And you don't have a clue But this wall it will fall If it's the last thing I do I'll get through this wall in your heart We'll break down all the troubles we have found And I'll find a way to mend your broken pieces We'll hold hands and be friends Until the end and our love will be forever But there's a wall In your heart That no one can get through And it's cold and it's dark And you don't have a clue But this wall it will fall If it's the last thing I do I'll get through this wall in your heart
