

# Shelby Starner, You

After hours of deep thoughts  
I came to the conclusion you're just not  
meant to be with me  
Everytime there's a mistake  
you leave  
Suffering under my smile  
I'd be better off, alone for awhile  
crying to myself  
Cuz I don't belong here  
You're so different from me  
Well, I want to be with you  
But you make it so hard  
And don't try to hold my hand  
And don't try to understand  
Don't tell your lies  
I know them all  
By now  
You say you love me  
and do you love her less than this?  
No.  
I can tell by those "I love you" kisses  
you give her in front of me  
and I don't want this any more than you do  
and I don't want you to say  
that it's all gonna be OK  
Cuz I don't belong here  
You're so different from me  
Well, I want to be with you  
But you make it so hard  
And don't try to hold my hand  
And don't try to understand  
Don't tell your lies  
I know them all  
By now  
Cuz I, I don't belong here  
You're so different from me  
Well, I want to be with you  
But you make it so hard  
And don't try to hold my hand  
And don't try to understand  
Don't tell your lies  
We've been over this  
A hundred times...
